

BRING GOD IN

THE TEN LEADERS (Numbers 13:1-2, 25-33 NKJV)

- They completely left God out
 1. The land you sent us - not the land God is giving us
 2. We can't; they are stronger than we are
 3. We are grasshoppers in our sight - and projected that image
 4. They never mentioned what God had done for them

THE TWO LEADERS (Numbers 14:6-9 NKJV)

- Positive from the start
 1. Let's go, we are well able
- The reason they were positive - they brought God in
 1. Called the land good
 2. The Lord will bring us into the land
 3. Don't go against God - going against what God had promised
 4. The Lord is with us - 4x they spoke of God
- Caleb's insight 40 years later (**Joshua 14:7-8, 12 NKJV**)
 1. He spoke what was in his heart
 2. He was looking through a different lens
 3. He was following the Lord His God
 4. Forty years later, Caleb was still believing God would help him

BRINGING GOD IN TO YOUR LIFE

- Make a heart decision to follow the Lord (**Galatians 2:20 NLT**)
 1. Acknowledge what He has done for you
 2. Acknowledge His love for you
 3. Now we live trusting Him
- Put God's Word in your heart, your thoughts, and your mouth
 1. Take a different view of God's Word (**Psalms 119:111 NLT**)
 2. Intentionally put God's Word in your thoughts
 3. Speak in line with what God says
